

### Y. W. C. A. WORKER TALKS OF SERBIA

Miss Ethel Fonda Aided in Social and Relief Work in Russia.

### STUDIED IN ORIENT

Was Investigating Physical Education Prescribed by Japanese Government.

Siberia, its people and its problems will be discussed by Miss Ethel Fonda, recently returned from Y. W. C. A. and Red Cross work in Siberia, at 4 o'clock Sunday afternoon, May 2, in the gymnasium of the local association.

Miss Fonda went to Japan in September, 1917, as national secretary for physical education, spending one and a half years in study of the laws and of physical education provided for women and girls in all Japanese government, private and association schools. Later, at the request of the American Red Cross, she went into Siberia in social and reconstruction activity. While in Siberia she had charge of organization of schools and distribution of supplies and teaching of work and play to Siberian women.

Miss Fonda has been serving as religious education secretary at the Dallas association since her return to this country in March. She is a graduate of the University of Texas, at Austin, and of two schools of physical education in the east. She acted as physical director for the Dallas association for two years, as instructor at Mount Holyoke college for three years, and as girls' work and association secretary at Austin, Texas, until her trip abroad of the last year.

### WANT MOSAIC TEMPLE HERE

Local Negro Lodge to Furnish Site and Order Will Donate Building.

As a result of the visit here of national grand officers T. J. Elliott and J. H. McClellan of the Mosaic Templars of America, with national headquarters at Little Rock, Ark., the state executive board decided upon Tulsa as the location of the Oklahoma building of the order.

Tulsa is offered the building on condition that the site be donated. For this purpose the southwest corner of Greenwood and Cameron avenues has been selected and an option on it secured. The site will cost \$8,000 and to raise this money a campaign will be carried on next Monday and Tuesday.

In case the campaign is successful the state board insures the erection of a modern four-story office building. The local committee in charge of the affairs consists of M. J. Lathon, H. A. Guss and Rev. James A. Johnson.

### OBSERVE CHILDREN'S WEEK

Osage Parent Teachers to Discuss Child Welfare Work Tonight.

In observance of national children's week the north side W. C. T. U. and the Parent-Teachers association of Osage school will combine in a child welfare program at 7:30 o'clock this evening in the Osage school auditorium, with Parent-Teachers of Pershing school as visitors.

Subjects and speakers will be: "A Mother's Influence on Her Child," Mrs. Ida Wygant; "Pre-natal Influence and Heredity," Dr. Julia C. Schoenleber; "Love and Law in Child Training," J. D. Richards; "Conservation of Children and What it Means to the Nation," Mrs. Lillian D. Lindsay; "The Importance of Early Religious Training of the Child," Mrs. N. J. Gubser; Mrs. Richard W. Burkhart, president of the north side union, will preside.

### Sapulpa Notes

**SAPULPA**, April 28.—An unusually large attendance and a change of venue in the month marked the weekly luncheon of the Rotary club which met in the chamber of commerce for the first time today. Fred Foster, newly elected president of the organization, presided today for the first time. One minute talks from members who attended the convention at Sapulpa last week and an appeal from Mrs. Arthur Black for the support of the civic clubs in the drive to get a permanent Y. W. C. A. here featured the meeting. Future luncheons will be held in the chamber club rooms instead of the St. James hotel, as formerly, it was decided.

A gravel road to have been made from a part of the tree where the last surrender of the civil war was made at Vicksburg was presented to the local K. K. club today by Mrs. Virginia E. White. Kivansians are still out for members in the chamber of commerce, only 40 new names being needed to make the total since the strike last week amount to 100.

George Moore, sworn against whom an information was filed yesterday charging embezzlement of \$75 today found in a negro regulation of which he was secretary, pleaded not guilty at his preliminary hearing today before Justice George H. Jennings, and was released under \$500 bond.

Marriage licenses were issued to the following here today: Thomas B. Jenkins, 45, to Grace Hardee, 43, both of Mounds; R. A. West, 24, to Ethel King, 15, both of Sapulpa; Fred D. Borders, 21, to Laura Peters, 17, both of Taher; and Wilbur Clements, 21, Jennings, and Ruth Gray, 22, Sapulpa.

Apparently all objection to the "overall and apron" movement are removed in a new organization for the reduction of clothing costs being formed here. Mrs. Mary Latham, clerk in the office of County Attorney Fred A. Speakman, said yesterday that office employees and school teachers have decided that light wearing material similar to that ordinarily worn is cheaper than gingham. Helen Fichtl, county superintendent of schools, said that she would encourage teachers and other working women to wear inexpensive clothing, but of a finer grade than is gingham.

### TO ORGANIZE BUREAU

Ad Club to Launch Movement Today to Form Better Business Organization Here.

Plans for organizing a Better Business bureau here will occupy most of the attention of the Ad Club meeting held following its regular weekly luncheon at Hotel Tulsa at 10:30 today.

Four minutes talks on the benefits to be derived from such a bureau are to be made by E. J. McAnelly, Max Madansky, S. D. Pickering, Dr. J. S. Gorton, F. M. Graham, H. S. Harrison and E. K. Horn.

### DISCUSS COUNTY HIGHWAYS

C. of C. Committee Will Meet With County Commissioners.

Arrangements are being made for the good roads committee of the chamber of commerce to meet with the county commissioners Monday for the purpose of discussing the highway situation in Tulsa county. Discussion is to center on the hard-surfaced road project which is now under way, and may lead to a solution of the present delay in obtaining materials and assist in hurrying the work.

## Public Service Company of Oklahoma

SEVEN PER CENT CUMULATIVE PRIOR LIEN STOCK

The physical property of the Public Service Company of Oklahoma is in good condition. Its electric generating stations are modern and economical. Its ice plants are well equipped. Its 28 miles of high tension transmission lines are in ideal operating condition.

The Company now serves approximately 13,500 electric customers.

The steady and uninterrupted growth of the Company's business, as evidenced by its gross earnings and the number of customers served is shown below:

Year Ending December 31	Gross Earnings	Electric Customers
1915	\$457,359.53	5,437
1916	568,087.29	6,471
1917	684,293.19	9,266
1918	925,635.69	10,953
1919	1,214,474.85	12,798

This substantial increase was due to the growth of the communities served rather than to the addition of new towns. The future of the Public Service Company of Oklahoma harbors no uncertainty. Its Prior Lien Stock is a wholly reliable investment.

**DIVIDENDS** on the Prior Lien Stock are payable quarterly in cash at the rate of seven per cent per annum and are being earned with ample margin of safety. The dividend is liberal, considering the safety of the investment.

**PRICE \$100.00 PER SHARE**

**PAYABLE \$4.00 per share with subscription; \$6.00 per share per month for sixteen months.**
